

## ALTERNATIVE DISTRIBUTION FINANCING (ADF) LAUNCHES NEW COMPANY WEBSITE

ZUG, SWITZERLAND, March 2018

Alternative Distribution Financing Ltd. ([ADF](#)), the financing arm of Global Supply Chain Finance Ltd. ([GSCF](#)), is glad to launch its new company website.

ADF's new site contains detailed information about the products offered by ADF – namely Distribution Financing and Trade Payables Financing – which are programs financed by ADF with the backing of a pool of investors and credit insurers, and serviced by GSCF.

Julien Laffaille, Structuring Manager at ADF commented: “We have developed a new website for ADF in order to address the increasing number of requests for information and queries received from companies all over the world. ADF's specialized offering, based on diversified funding and state-of-the-art processing technology, is proving to be highly sought for given the flexibility and transparency that it provides”.
