

ALTERNATIVE DISTRIBUTION FINANCING (ADF) ADDS **PostFinance** AS INVESTOR

ZUG, SWITZERLAND, November 2017

Alternative Distribution Financing Ltd (“ADF”), the financing arm of Global Supply Chain Finance Ltd. (“GSCF”), is proud to announce the addition of PostFinance AG as an investor in its highly specialized financing vehicle.

A PostFinance dedicated structure will be put in place within ADF, allowing further financing of selected payables and receivables based programs for companies that are typically not covered by direct bank financing.

Founded in 1906, PostFinance is the financial services unit of the Swiss Post. It is the fifth largest retail financial institution in Switzerland.

Kendall Stevens, CEO of GSCF Group commented: “We are very happy with the addition of PostFinance to our ADF setup, which is in line with our multi-funder strategy. We are honored by their decision to work with us and truly believe that our complementary capabilities will allow us to approach the market with a really attractive offering”.
